

WENTZ
TUBO
CHAIR

Tubo Chair, 2021

The Tubo ("tube" in Portuguese) chair is a soft synthesis. In a sensorial and fluid path, the tube materializes a long and sinuous design that runs through the parts of the chair in one breath. All upholstered in WE—KNIT® fabric — made from recycled PET bottles — it protects and welcomes the gesture of sitting, mimicking human joints.

PRODUCT TYPE: Chair

ENVIRONMENT: Indoor

MATERIALS: Steel, Upholstery
